

About me

Michael Byrne is Local Buy's Principal Probity Specialist. He is an accomplished Probity and Procurement Executive with over 40 years' experience in the private and public sectors.

Michael was formally Chief Internal Auditor at Brisbane City Council (8 years), Manager Contracts and Risk (10 years) and Chief Procurement Officer (9 years). He established both the Audit and Risk Committee at Brisbane City Council and managed risk across the organisation for 27 years.

He also has worked at the Qld Electricity Commission and at Stanwell Power Station.

Michael is deeply experienced, which ensures that we can offer our clients the best results, every time.
