

## About me

---

Peter is a Procurement and Supply Chain Management professional with demonstrated global experience in strategic sourcing, international procurement, negotiation, logistics, contract management and supplier relationship development.

In his 25 years as a Supply Chain professional, Peter has gained global experience across a diverse range of industries, including manufacturing, construction, mining, petrochemicals and packaging.

He has actively sourced and managed the supply of a broad spectrum of commodities and services, maximising practical solutions and strategic outcomes for clients.

His professional approach to supply chain management and employment of best commercial practices, has consistently resulted in improved efficiencies, reductions in total costs and an increase in operational performance.
