

Traffic Management

LB325

LB325 provides for Traffic Management Services, Planning & Approvals (TMP, TGS) as well as TM equipment hire.

This gives Queensland and Northern Territory councils, and other approved purchasers, direct access to pre-approved suppliers. It provides a streamlined procurement process, in place of traditional tenders and quotes, for engagements of any value. This results in significant time and cost savings for both purchasers and suppliers. Purchasers can obtain pricing for one-off events or obtain period pricing for long-term engagements.

Services include:

- Volume aggregated benefit
- Suppliers with strong local presence
- Secure online information solutions
- Cut out time and cost for tenders
- Confidence in procurement
- All suppliers are verified and fully inducted
- Secure login for tracking
- Local industry specialists
- New suppliers added regularly

About Local Buy - trusted, pre-qualified and compliant

Local Buy, part of the Local Government Association of Queensland (LGAQ), is the only organisation authorised under the Local Government Regulation 2012 (LGR) to establish LGA Arrangements. Fully compliant with the LGR, Local Buy mitigates risk, ensuring councils meet their obligations while setting benchmarks for innovation and procurement outcomes.

Our award-winning Arrangements provide access to over 4,800 pre-qualified suppliers across more than 55 categories and hundreds of subcategories of goods and services. Designed for Queensland and Northern Territory buyers, these Arrangements streamline procurement processes, delivering efficiency, compliance, and competitiveness while supporting local procurement priorities.

100% of profits are reinvested into councils, communities, and procurement across Queensland through sector leadership, technology, professional development, capability programs, advocacy, and partnerships – advancing procurement statewide.
